

LATINX THEATRE  
**COMMONS**

## Latinx Designer List (as of 2.27.19)

*This is a growing list of working, self-identified Latinx Designers compiled by the LTC. We will keep adding to this list—if you wish to be added, email [Abigail@howlround.com](mailto:Abigail@howlround.com). If you are in a position to hire designers, we invite you to use this list to expand your circle of artistic relationships. Hiring and casting are inherently an allocation of resources, and too often we stick with what (and who) we know. A diverse hiring pool will positively impact any production. If you have ever struggled to hire Latinx designers because you couldn't find them, here they are!*
