

RANGES OF ALL DIRECTORS BY POSITIONS PER SEASON IN RELATION TO TOTAL NUMBER OF DIRECTORS AND DIRECTION POSITIONS

12-13 - 18-19

■ DIRECTORS
■ DIRECTION POSITIONS

**Who Directs in LORT Theatres by Pronoun:
Ranges of Directors by Positions Per Season in
Relation to Total Number of Directors and
Direction Positions**

The following statistics are based on number of positions per director over all seven seasons examined.

In direction, directors with an average of less than one position per season (less than 7 direction positions over the 7 seasons) were 80.4 percent of all directors, and they held 42.2 percent of all direction positions. Directors with an average of one to less than three positions per season (at least 7 but less than 21 direction positions over the 7 seasons) were 17.9 percent of all directors, and they held 47.7 percent of all direction positions. Directors with an average of three to less than five positions per season (at least 21 but less than 35 direction positions over the 7 seasons) were 1.7 percent of all directors, and they held 10.2 percent of all direction positions.
